

5 REASONS **EVERY** business **NEEDS** a website.

1 **OVER 70%** of Canadians research a service or product online **before buying**.

2 **Affordable and flexible SMART advertising.**
Know who is visiting your site, what attracts them and what doesn't.

3 **Educates and communicates to your customers 24/7.**
Put your sales effort on cruise control.

4 **Adapt your message as you need to, affordably and quickly.**
If you have specials, events, or new services, tell customers right away.

5 **Your competitors have one** and your customers are comparing you to them.

Put Spry to work for you!
Stunning design delivered on time and on budget.
